HEALING PRAYER

I ask the Great Unseen Healing Force
To remove all obstructions from my mind and body
And to restore me to perfect health.
I ask this Great Unseen Healing Force
To help both present and absent ones
Who are in need of help
And to restore them to perfect health.
I ask this in all sincerity and honesty
And I will do my part.
I put my trust in the love and power of God.

Opening Prayer

There is a quiet light that shines in every heart. It draws no attention to itself though it is always secretly there. It is what illuminates our minds to see beauty, our desire to seek possibility and our hearts to love life. Without this subtle quickening our days would be empty and wearisome, and no horizon would ever awaken our longing. Our passion for life is quietly sustained from somewhere in us that is wedded to the energy and excitement of life. This shy inner light is what enables us to recognize and receive our very presence here as blessing. We enter the world as strangers who all at once become heirs to a harvest of memory, spirit, and dream that has long preceded us and will now unfold, nourish, and sustain us.

DECLARATION OF PRINCIPLES

We believe in Infinite Intelligence.

We believe that the phenomena of Nature, both physical and spiritual, are the expression of Infinite Intelligence.

We affirm that a correct understanding of such expression and living in accordance therewith, constitute true religion.

We affirm that the existence and personal identity of the individual continue after the change called death.

We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.

We believe that the highest morality is contained in the Golden Rule: "Do unto others as you would have them do unto you."

We affirm the moral responsibility of individuals and that we make our own happiness or unhappiness as we obey or disobey Nature's physical and spiritual laws.

We affirm that the doorway to reformation is never closed against any soul here or hereafter

We affirm that the precepts of Prophecy and Healing are Divine attributes proven through Mediumship.

Notes:

The Art of Manifesting: Putting Magic in Your Life

1. Visualise the blessing(s) you desire.
2. See the impact having the blessing in your Life.
3. Create the vision with the emotion of gratitude evoked.
4. Express this gratitude to the Universe.
5. Share your desired manifestations with two others near your seat.
Language in with "I am, I have, I create, I affirm, I choose, I now step into...."
6. Hold the space of "yes" as each person shares.
When we hold the space for another,
we magnify the blessings
coming to us.
7. Every day visualize the blessing having occurred in your LIFE.
